

**ELK GROVE VILLAGE**

**THE PLACE FOR  
MANUFACTURING**

A large grey gear is located in the bottom-right corner. Inside the gear is a photograph of a dark sign for 'ELK GROVE VILLAGE BUSINESS PARK'. The sign features a white silhouette of an elk on the left and the text 'ELK GROVE VILLAGE' on the top line and 'BUSINESS PARK' on the bottom line. The background of the photo shows green trees and grass.

**ELK GROVE VILLAGE  
BUSINESS PARK**

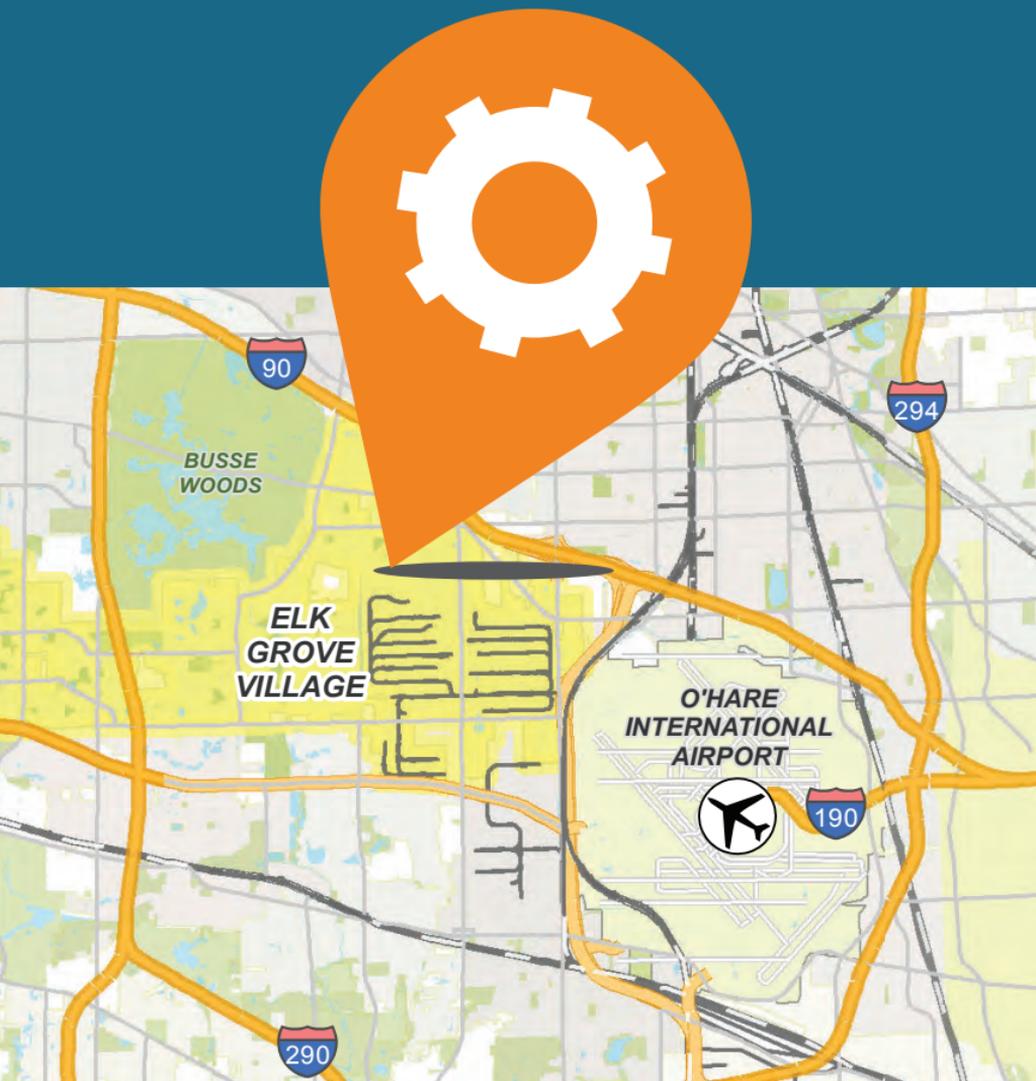

# ELK GROVE VILLAGE, IL INNOVATION. RESHORING. GROWTH.

It's an exciting time to be in manufacturing, and Elk Grove Village is where it all begins.

We're the engine driving regional, national and global economic growth. Half of Illinois' exports come from the greater Elk Grove Village region, plus we have the second greatest concentration of manufacturing jobs in the state.

No other community can match what we offer. Elk Grove Village is home to the largest business park in the U.S. — the perfect launching pad for global supply chains. And O'Hare International Airport is literally in our backyard. So are multiple interstate highways and transcontinental rail lines.

The new era for manufacturing?  
It's already here ... in Elk Grove Village.

# ELK GROVE VILLAGE, IL LARGEST CONSOLIDATED BUSINESS PARK IN THE U.S.

No other community does it bigger — or better. Elk Grove Village Business Park encompasses five square miles and more than 62 million square feet of industrial inventory. Entire support and supply networks are found here, providing convenient access to critical, secondary operations.

- More than 62 million SF of industrial inventory to choose from
- 3,600+ businesses - 40% are manufacturing firms
- Extensive rail service throughout the Business Park
- More than \$50 million reinvested back into the Business Park over 10 years

Companies seeking to reshore, reinvest, relocate, or expand operations need only look to the hundreds of businesses already thriving here: producers of products that touch our everyday lives, as well as manufacturing services companies that serve industries as diverse as aerospace, automotive, computer technology, medical instruments, food processing, alternative energy, and more.

ELK GROVE VILLAGE, IL  
is host to more than  
3,600 businesses.

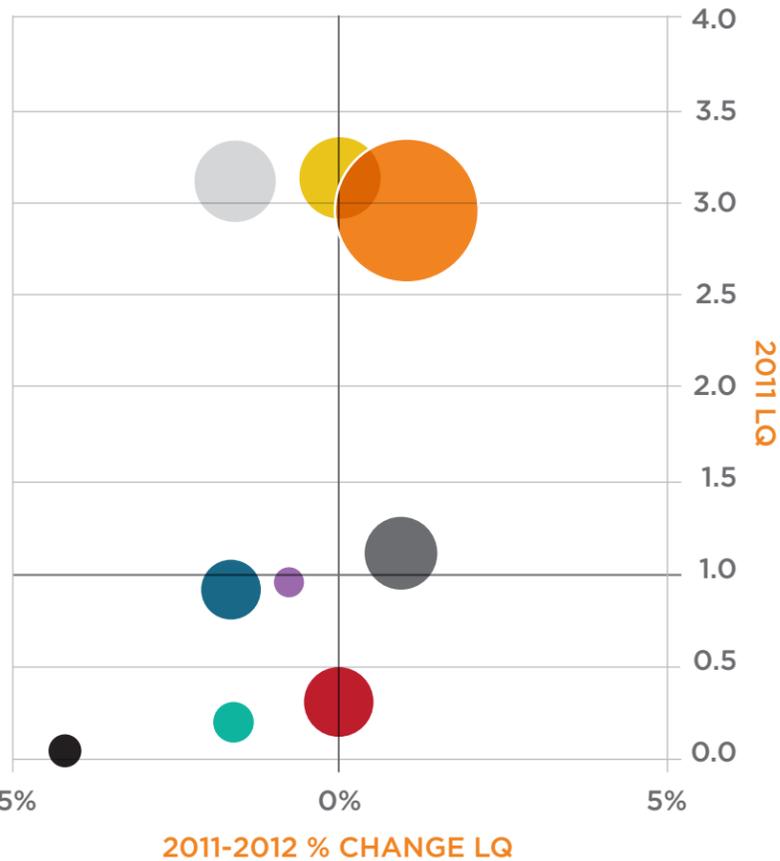

## LEADING THE MANUFACTURING RENAISSANCE

U.S. manufacturing is gaining fresh momentum. Manufacturers face new opportunities as the economy rebounds from recession, and new global market dynamics lead to renewed investments in domestic industry. The surge is especially strong in the Chicago area. Recent employment figures show growth in the region is outpacing national growth in key manufacturing sectors. Elk Grove Village is fueling that growth.

The latest data shows that logistics, manufacturing, and wholesale trade clusters are all growing here (see graph below).

## CLUSTERS

Elk Grove Village's Competitive Advantage

### KEY

- Transportation and Warehousing
- Wholesale Trade
- Manufacturing
- Administrative and Support and Waste Management
- Management of Companies and Entrepreneurs
- Construction
- Health Care and Social Assistance
- Finance and Insurance
- Educational Services (Private)

Industry Clusters	2012 Jobs	2012 LQ
Logistics	6,885	3.64
Manufacturing	14,279	3.48
Wholesale Trade	7,234	3.56

### The Power of Clusters

Clusters are groups of interdependent firms that are linked through the buyer-supplier relationship. They also share common resources and technologies, depend on a similar labor pool and institutions, and rely on specialized infrastructure. Being geographically located near these resources fosters innovation, knowledge creation, cooperation and competition.

### High LQ = Concentrated Cluster

Location Quotient (LQ) quantifies how concentrated a particular industry cluster is in a given region. LQ greater than one (1) indicates a region specializes in that industry.

### High LQs in Elk Grove Village

Elk Grove Village has a particularly high LQ in each of these clusters: logistics, manufacturing and wholesale trade — indicating these clusters are growing. For companies operating in these industries, locating to Elk Grove Village and tapping into our established labor pool, supply chains, and infrastructure provides a distinct competitive advantage.

## LOCATION, LOCATION, LOCATION.

Elk Grove Village's unbeatable location just 20 miles northwest of Chicago is a huge advantage. We're adjacent to O'Hare International Airport, accessible by public transportation, and close to numerous highways, including I-90, I-290, I-355, Route 53, and the Elgin-O'Hare Expressway. This vital transportation network ensures products reach their customers — and makes Elk Grove Village a magnet for the region's most highly skilled workers.

Adjacent to O'Hare International Airport

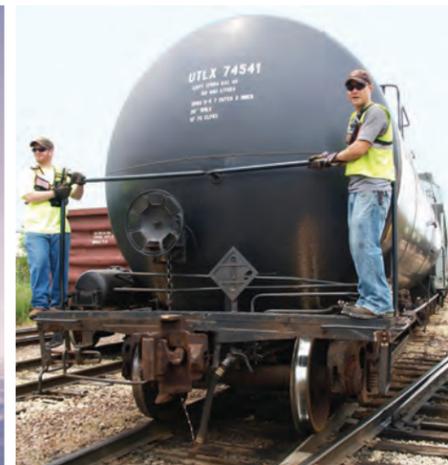

Close to I-90, I-290, I-355, Route 53, and the Elgin-O'Hare Expressway

At the crossroads of transcontinental rail lines, including rail service throughout the Business Park

“ Thanks to Elk Grove Village's central location, we have easy access to secondary operations, which allows us to deliver a turnkey solution and fast turnaround for our customers. ”

Margaret Kozlowski  
AM Precision Machining, Inc.

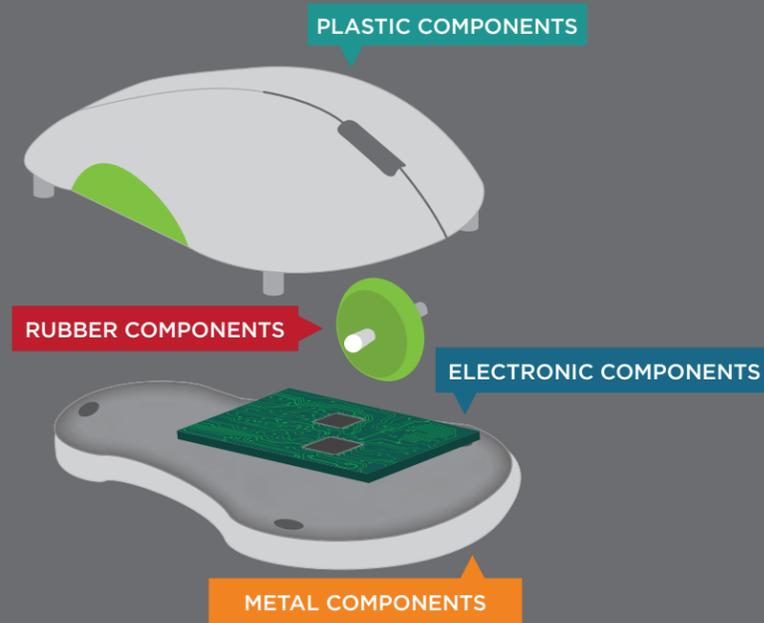

# ELK GROVE VILLAGE'S MANUFACTURING SERVICES FUEL THE GLOBAL ECONOMY

Every day in Elk Grove Village, manufacturing services companies transform raw materials into critical parts for cars, planes, windmills, washing machines, and more.

Take an everyday item like a computer mouse. The components that make up the mouse can all be made by companies in the Elk Grove Business Park, the largest business park in the country.

The parts then get assembled here, packaged here, then shipped fast by air, rail or road to both domestic and international destinations: Korea, China, Poland, the Ivory Coast, the Dominican Republic, the United Kingdom, China, Brazil and more.

The result? A huge competitive advantage for the computer mouse company. Proximity to Chicago's unrivaled freight network — plus having the entire supply chain within Elk Grove Village — greatly reduces time-to-market and logistics costs.

“ Elk Grove Village is home to the largest consolidated business park in the nation. It is a critical link in the local, national, and global manufacturing supply chain. ”

U.S. Congresswoman Tammy Duckworth (IL-8th District)

## IN ILLINOIS

**\$92.4 BILLION**  
Total output from manufacturing in 2012 — 13.3% of the state's total output.

**\$63 MILLION**  
Total manufactured goods exported in 2012. Illinois is the #1 exporting state in the Midwest and #6 in the U.S.

**9.3%**  
Percentage of the state's workforce employed by manufacturers.

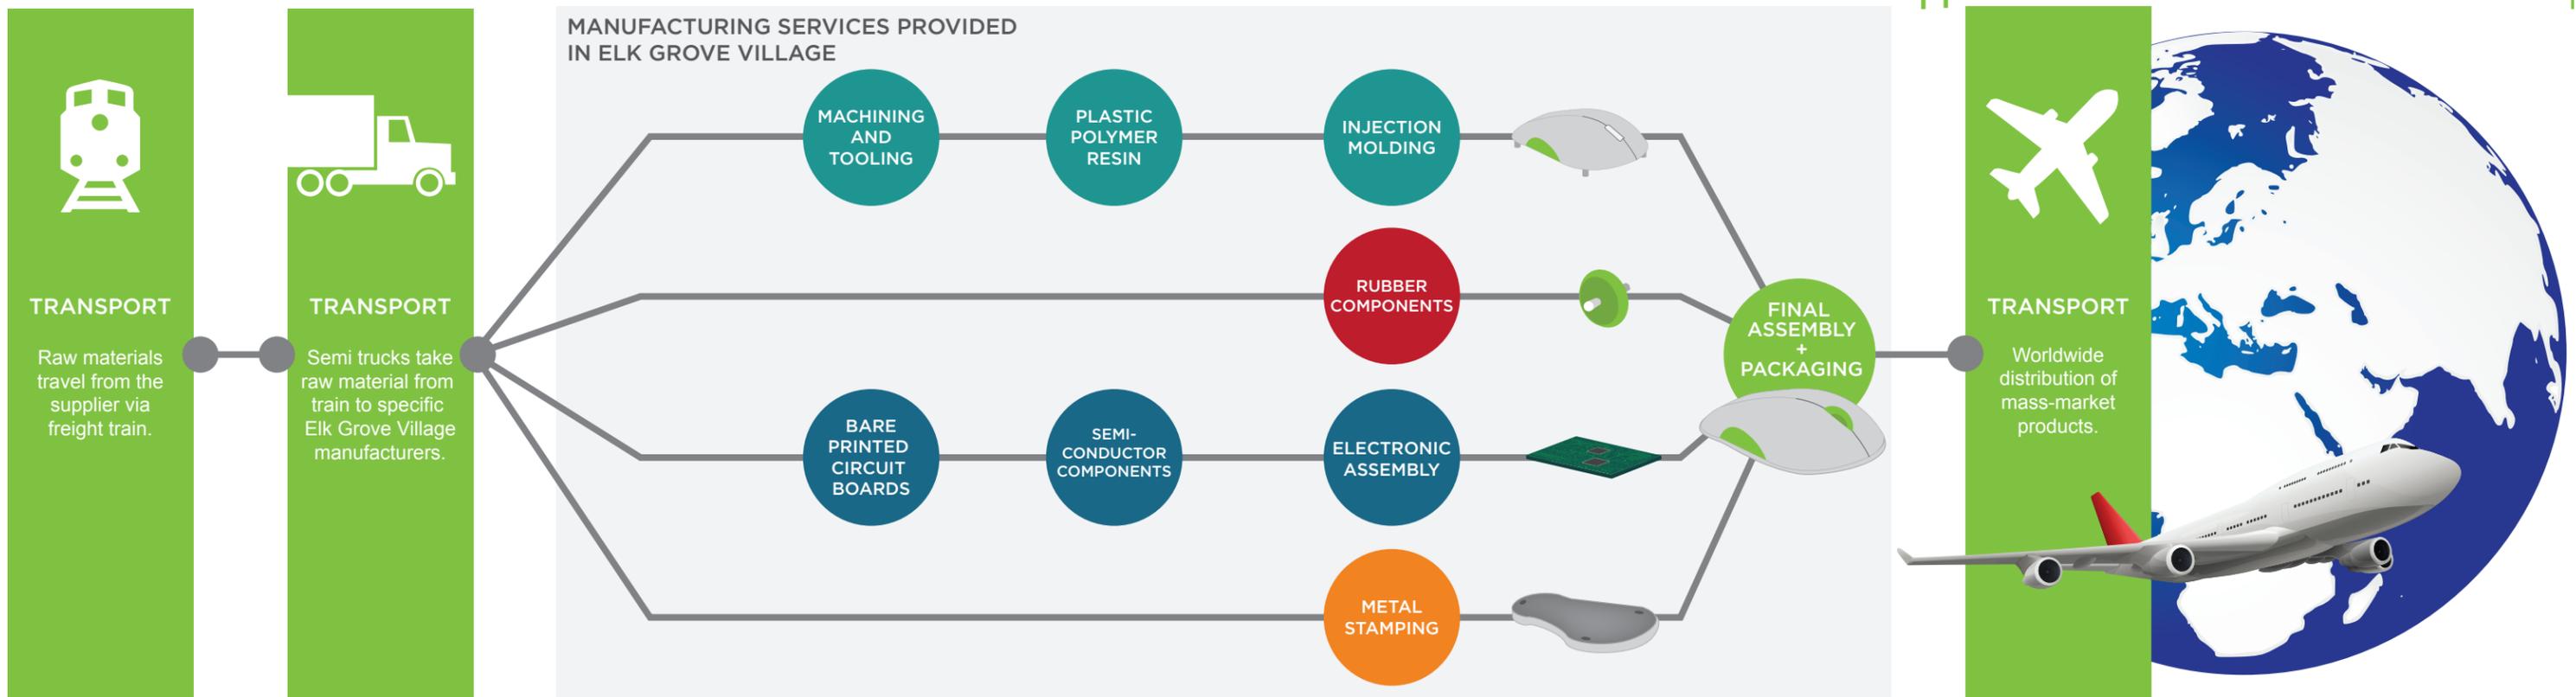

**50%**  
Half of Illinois' exports come from the greater Elk Grove Village region.

## LOCAL SUPPLY CHAIN

Reduces time-to-market and logistics costs

## GLOBAL SUPPLY CHAIN

Elk Grove Village fuels GDP

# ELK GROVE VILLAGE'S RICH MANUFACTURING LEGACY

**1956**  
EGV was incorporated and a master plan introduced, calling for development of the largest industrial park in North America.

**1957**  
Anchored by Dallas-based construction company Centex Corporation, Centex Industrial Park opens as the crown jewel of Elk Grove Village.

**2001**  
The Village changes the park's name to Elk Grove Business Park.

**PRESENT**  
A new Tax Increment Financing (TIF) district within the business park will enable the Village to invest in infrastructure and fund eligible projects to attract new business tenants.

**FUTURE**  
The redeveloped Elk Grove Business Park will include modern office, retail and industrial uses, while the Elmhurst Road and Busse Road corridors both will be upgraded to serve as welcoming gateways worthy of a major global manufacturing hub.

## Beyond BUSINESS FRIENDLY ELK GROVE VILLAGE, IL

Elk Grove's rich legacy as a manufacturing hub goes back more than 50 years. Our entire community is characterized by hard-working industrial qualities. We "get" manufacturers and know what they need to thrive.

Likewise, "Beyond Business Friendly" embodies the mission and vision of Elk Grove Village government. From our elected officials through each department, we pride ourselves on being proactive and providing enhanced customer service. That means working diligently to create a foundation for businesses to succeed, including consistently investing in modernization and beneficial infrastructure improvements while maintaining a low local property tax rate.

**“ The Village strives to support the business community with a variety of business development resources and policies to encourage manufacturing. ”**  
**Mayor Craig B. Johnson**  
(center bottom row)

## ELK GROVE VILLAGE BUSINESS DEVELOPMENT PROGRAMS

- Illinois Workforce program
- Tax Increment Financing (TIF)

### Made in Elk Grove Manufacturing Expo

An annual trade show organized by the Village, this one-day event is exclusive to OEMs and manufacturers. The inaugural show in 2013 had 90 exhibitors and attracted more than 500 attendees from throughout the Midwest. Among the industries represented: precision machining, plastics, electronics, industrial services, and more.

### Industrial/Commercial Revitalization Commission (ICRC)

Comprised of 13 Elk Grove business leaders, the ICRC plans, coordinates and makes recommendations to the Mayor and Board of Trustees concerning the Master Plan to revitalize the Village's business and commercial areas.

### EGVbizhub.com

Developed to bring the benefits and connectedness of the nation's largest business park to the web, EGVbizhub provides a centralized location for helpful information and resources relevant to the Elk Grove Village business community and its prospective newcomers. The Business Resource Guide resides here as well.

### ElkGroveSites.com

Explore available commercial space in Elk Grove at ElkGroveSites.com — an interactive database of individual buildings, along with demographic, labor market, consumer spending, and business data specific to each space.

### Made In Elk Grove Book

Available both in hardcover and online at TheElkGroveBook.com, this marketing tool chronicles the many achievements we have reached as a community and promotes local commerce and industry.
